ONE CENT.

Your Boy or Girl

Will be better for having a watch. There will be fewer tardy marks and fewer broken appointments. They will learn the value of time, that life is made up of time, just moments of time, and those moments put to good use make life a success or failure. Teach them to be at school on time, to meet the train on time, in fact, do everything on time and thereby shorten the cares of life. We have Watches to suit all sizes and conditions, for boys, girls, ladies and men, from \$1 up. Come in and look at them.

BALLENGER,
Jeweler and Optician.

IT IS THE FASHION

Nowadays for merchants all over the country to resort to fairy tales in their advertisements to induce people to buy goods. Pick up any Cincinnati paper and you see where you can buy a suit of clothes for \$1.39, worth anywhere from \$15 to \$25. There may be some that believe such statements, but they don't live in this neck of the woods. Our long experience has taught us that reliable merchandise at legitimate prices is what the intelligent buyer seeks. That's the kind of stuff you find with us, and that's the reason you, like your fathers and grandfathers before you, come to us.

WE ARE NOW
RECEIVING
OUR SPRING GOODS.

We can in truth say that you will find none like them elsewhere. You will do yourself justice to look through our line when you begin to think about buying a Spring Suit or Light-weight Topcoat. No fabric or style, no matter how novel and new, but what you will find it in our house. The same can say about our Hats and Furnishings Goods. Our Shirt line is the most complete in the State, our leaders are the Manhattan, Columbia and Eclipse. They are the best. Were any better we would have them.

SPECIAL PRIDE
WE TAKE IN
OUR LINE
OF
MEN'S SHOES.

We have our entire line of Spring Shoes in stock. We have the Smith & Stoughton, Bart & Packard and the world-wide celebrated Hagan Shoes. For the latter Shoes we are special agents and by agreement with the makers are able to sell these Shoes at \$5. They are sold in all cities for \$6 and \$7.

Yesterday's Selling

Previous Figures.

But it wouldn't have if real value giving hadn't been the basis of this carefully planned Underwear Sale. The cut and shape of the garments, tasteful trimmings, thoroughness of needle work, littleness of prices are the factors of our success. Of these a word today.

THE WONDER OF SCIENCE.
Oh, wonder of the world,
And waiting day by day,
Let's watch the moment's flying
And hear the music play.
For the sea is full of water,
And the earth's a motion mass,
And they tell us an explosion
Is sure to come to pass.

So where's the use of striving
For creature's year by year;
Of dreaming on and scheming
To improve this spinning sphere?
Of struggling 'mongst the million
For a drop from fortune's cup,
When a small sail in the ocean
Will show the whole thing up?

FIRE AT MINERVA.

William Houston's Smokehouse Totally Destroyed. With 200 Bushels of Meat.

About 4 o'clock Wednesday afternoon the smokehouse of William Houston burned at Minerva.

The structure, together with some 200 pounds of meat, was totally destroyed.

His master's main man was Wm. Lucy Thompson, born in this county in 1784, and was married to William P. Jones in 1807 or 1808. The family emigrated from Virginia to Kentucky among the first settlers.

William Henry Harrison Jones was born in Mayville, Ky., June 10th, 1822, and died at his home in Fairfield Township, DeKalb county, Ind., Sunday at 2 p. m., February 2nd, 1899, aged 76 years, 8 months and 1 day.

He was the second of three children of William and Lucy Thompson Jones, natives of Kentucky, of Welsh descent. When 3 years old he moved with his parents to Greene county, O., and three years later to Lower Sandusky, O., and when 9 years old he went to Canada, where he spent only a few months, returning to Miami county, O., where he grew to manhood. While living in this county his father died in New Orleans of yellow fever.

When 17 years of age his mother moved to Indiana with his older brother, but the subject of this sketch remained in Miami county until attaining his majority. In 1850 he moved to Carroll county, Ind., but a year later returned to Ohio and in 1854 located in Allen county, Ind., where he resided for eight years. About this time he purchased a farm in Fairfield Township, DeKalb county, Ind., where he settled in about 1860.

In politics he adhered to the Republican party. He was a strong Union man in the days of the country's trials, and his only son, Joseph A., served honorably in the Seventy-fourth Regiment, Indiana Volunteers, in the Union Army.

He held to the doctrines of the M. E. Church and was given a Christian burial, the obsequies being held at Fairfield Center, Tuesday, February 7th.

Mr. Jones was married June 13th, 1843, to Elizabeth Burkett, a native of Ohio, to which union were born three children—Joseph A., Reuben Virgil, who died when but 21 months old, and Lucy, now the wife of George Piker.
